

# **Stragglers Cambridge Charity Show**

Stragglers are pleased to confirm that their very successful Cambridge Charity Car Show will once again take place at the Lake Te Koutu Domain, Cambridge. Sunday 21<sup>st</sup> November 2010.

The format that has worked so well for the Club in the past will largely be followed again at year's event, that is, bands, food, fun for all the family, no trade areas and heaps of fabulous cars and motorcycles.

The Charity to be supported this year is yet to be finalised but we expect to be able to announce this shortly.

We will update the show details as things progress but, in the meantime, make sure that Sunday November 21<sup>st</sup> is marked on your calendar.
