

## **NZHRA 60<sup>th</sup> Anniversary Diamond Cruise 2022 Guideline Itinerary**

The NZHRA 60<sup>th</sup> Anniversary Diamond Cruise is on but with one MAJOR CHANGE with the start in Bluff and finish in Cape Reinga. Not long to go now and the roads of New Zealand will be humming with the sound of all things hot rod, street machine, in fact any vehicle you choose to travel in.

We have had a great response with registration of interests pouring in plus the talk around the country is that people are planning on joining in from all over the place.

Tony Robinson, President of NZHRA will be doing the complete trip as will the Zone Directors who will be doing all or part of the trip. It will be a great opportunity to meet up with friends, family and a chance to meet like-minded people. Tony will have a banner that we would love for everyone to sign.

The following is a guideline itinerary with some stop off points and places of interest to still be confirmed. Regular updates will be posted on the NZHRA website <https://hotrod.org.nz/>, NZHRA 60<sup>th</sup> Diamond Anniversary Run Facebook page <https://www.facebook.com/NZHRA-60th-Diamond-Anniversary-run-106248881364093/> and NZHRA <https://www.facebook.com/nzhotrodassociation/> as and when they become available.

Please note that any part of this guideline itinerary is subject to change at any time due to road conditions, weather and COVID. You will be notified of any changes at the daily briefings before starting out each morning.

The NZHRA Executive would like to take this opportunity to thank the following for their hospitality and help with putting this inaugural cruise together for take two. Please support the clubs, garages, workshops and museums who are taking the time to make themselves available for food, drink and visits.

NZHRA Clubs and members for opening their club rooms and offers of billeting  
Petrolhead  
Garages, workshops and museums for opening up for viewing

We look forward to you helping NZHRA celebrate 60 years of hot rodding in New Zealand.

Let the cruise begin!

## **Guideline Itinerary**

Contact details for Tony Robinson and the Zone Director will be given at the start of each Zone. Places and times that are tbc will be advised either the day before or day of at the daily briefing.

The main start day and date is Thursday 1<sup>st</sup> September at Bluff, however Zone 11 have put together places of interest for the two days prior to start day as follows:
